- H06 to be used for students with an AARA for alternative electronic format papers.
- Mobile phones, smart watches and any other devices are not allowed in the exam room.
- Students must remain for the duration of the exam session.

Absentees for exams: If a student is unable to attend an exam session owing to illness, a medical certificate will be required and a signed extension request form [available here on the School website](#). In some circumstances, such as COVID, where a medical certificate is not available parents need to provide evidence that can be reasonably accepted by the Principal or delegate (Head of Department). Parents need to contact the school on the morning of the exam. Students will then need to contact the relevant HOD to reschedule the exam. A family holiday is not an acceptable reason for being absent from an exam.
