RE: Representative Sport in 2019

Dear Parent/Guardian,

Throughout 2019 your child has various opportunities to represent Noosa District State High School, North District, Noosa District (U12's only) Sunshine Coast Region and higher within the sporting arena.

Every student at Noosa District SHS has the opportunity to nominate and trial for a variety of sports. Carnivals will be held at school for Swimming, Cross Country & Athletics; and based on performance at these carnivals students will be nominated to trial at the district carnivals. Other sports will require your child to nominate and/or trial for selection within the team. To nominate students will be required to collect a Trial information pack from the office; then complete & return the relevant permission forms to attend.

Attached to this letter you will find the representative sporting calendars highlighting the opportunities available for your child here at Noosa District SHS.

It is an essential part of Noosa District's SHS 'Be Responsible' expectation that students take ownership of their actions for all sporting activities. This includes listening to daily notices, attending training & trials; and returning all permission forms.

If you require any further information regarding the extensive sporting opportunities available for your child, please contact me on 5480 8111.

Yours sincerely,

Mr Nicholas Banks
HOD Health & Sport

Queensland Government
