School + VET leads to Employment

Training and Skills - North Coast Region

2019 SVETE Programs - **AllevE8** and **GenR8** - Last Call for Students

There are still spaces available in the 2019 **AllevE8** and **GenR8** SVETE School to Work Transition Programs.

Do you have any Year 11 or 12 students who:

- Have an interest in the health or community services sector and want a chance to try it out?
- Have an interest in the transport, logistics, warehousing or supply chain sector and want a chance to try it out?
- Need additional QCE credits?
- Are looking for a transition pathway?
- Need to develop work capability and employability skills?

If the answer is YES, then the 2019 **AllevE8** or **GenR8** program is for them. Previous programs have an 83% placement into employment and/or further training!

AllevE8 forms:

Click [here](#) for the **AllevE8** Program Information Flyer

GenR8 forms:

Click [here](#) for the **GenR8** Program Information Flyer

Click [here](#) for the **GenR8** Expression of Interest Form

Click [here](#) for the **GenR8** School Reference

*Please submit all Expressions of Interest and School References by no later than **COB Monday 11 February** to ncoasttraining@det.qld.gov.au. Alternatively contact a North Coast Region School to Work Officer on 1300 369 935 if you have any queries or wish to organise an appointment.*

The training component of the program will commence from 18 February 2019.

Please note: We need minimum student numbers to lock in a program in a locality. To date, no programs have been confirmed. Getting your student's Expressions of Interest in as soon as possible is strongly recommended.

I am looking forward to working with you to ensure students have access to a variety of training and employment pathway options.

Kind regards

John Suthers
